

## 2021-2022 AP WORLD HISTORY SUMMER READING

Welcome to WHAP! (World History, AP). Your summer reading assignment is *Why Study History? Reflecting on the Importance of the Past* by John Fea (Baker Academic, 2013). The list price for this short (171 pages) book is \$20, but cheaper, used versions via Amazon.com, or Kindle versions, are fine. We will have a **quiz** on the contents of this book the first day of class – IF YOU BRING YOUR COPY OF THE BOOK TO CLASS ON DAY ONE, YOU CAN USE YOUR BOOK ON THE QUIZ (highlighting and note-taking are greatly encouraged for this assignment and for this class)! It must be your book, not a borrowed copy. Use the attached SQ3R format for your notes, which you can also use on the quiz – I suggest completing these for each of the eight chapters). Email me any questions ([bcottingham@mtparanschool.com](mailto:bcottingham@mtparanschool.com) or reflections you have – happy summer reading time!

**Recite:** Answer the questions you developed.
