Seller ID number:

Sign up for your seller # using the form at www.mtparanschool.com/consignment.*

Label your items:

Hang all **shirts, skorts, skirts, and jumpers** on WIRE HANGERS so the hook on the hanger **faces to the left**. When looking at the item on the hanger it should look like a question mark. Many dry cleaners will provide you with extra wire hangers. **Do not hang pants or shorts, but they should be labeled the same way.** At drop off, please separate your pants/shorts by size on tables provided in the gym. It will take about 5-10 minutes.

Once you receive your seller ID number sent after submitting the form, please use the pre-printed price tags, also found on the website. Fill in the required information. Price guidelines can be found on the next page. USE ONLY SAFETY PINS TO SECURE YOUR TAGS! DO NOT USE STRAIGHT PINS!

***Please NOTE** that ALL ITEMS that are unsold will be donated to several schools in need. We will not be returning any unsold items. Sellers agree to these terms. All funds collected from the sale are turned in to the Business Office and a check will be mailed directly to you, usually within a couple of weeks.

Drop-off/check-in items to sell:

Drop off your sale items Monday, May 20, between 7:30-10:00 a.m. to one of our volunteers in the Adair Gymnasium. This is the **only** check-in time available. Please do not leave items at the front desk for sale or donation. A friend may check in your items for you. If you prefer just to fully donate your items, feel free to drop-off anytime to the Eagles Nest starting May 1.

Shop the sale and save BIG:

Staff, new families, and volunteers may shop early on Monday, May 20 starting at 10:00 a.m. New and gently used uniforms will be available to make your money go further; shop here first! Our vendor, Uniform Source, will also be on site to help you choose any items or sizes that you did not find at the consignment sale. Usually, the uniform store offers a discount. A "stuff-a-bag" sale for \$10 will occur from 5:00-6:30 p.m.

Volunteers:

Volunteers are the most important part of this sale! Sign up to volunteer using the form at www.mtparanschool.com/consignment or contact Carly Harvey at charvey@mtparanschool.com with any questions. Remember, volunteers will be able to shop early!

PRICING GUIDELINES

These guidelines are for general reference only. You are the seller and may mark your items however you choose. We make every effort to remove any items for sale that have marks, stains, or are generally not in keeping with the school uniform guidelines. We ask that you only send in items that meet those same standards. Some items sell quickly due to lower prices, condition, or limited quantities in the desired size. Some items do not sell due to prices, quality, or excessive quantities in the desired size. For coats/hoodies/sweaters, a general beginning price point is 1/3 of your cost. Remember to include the cost on your MPCs label for each article of clothing, then adjust accordingly - adding or deducting a few dollars based on the item's condition. See examples below (prices may not be exact; these are average cost and sale guidelines):
