Mount Paran Students, Staff Rake in Honors

A Mount Paran Christian School (MPCS) senior, string bass player Will Duncan, was selected as a member of the 2021 All-National Concert Band, the first MPCS musician to be named to the ensemble. He is anticipated to be the only bassist in the country playing in the concert band.

Having now been named to the All-State Jazz Ensemble, All-State String Orchestra, Governor's Honors Program and All-National Concert Band, Duncan completes a musical grand slam, meaning he is ranked on a national scale as a champion first (string) bass player.

For the second time in four years, the MPCS Lady Eagles volleyball team claimed the state trophy. After ending the season as the Cobb County and region champions, the team claimed the state title after defeating Athens Academy in four sets on Nov. 6.

The MPCS varsity volleyball team won its second state title.

During homecoming and spirit week festivities, preschool through high school students collected nonperishable food items to benefit MUST Ministries. Students in middle and high school competed to collect the most food. In total, more than 4,600 pounds of food was collected as part of

the school's annual fall food drive.

On Oct. 29, MPCS head football coach Mitch Jordan earned his 100th win during the MPCS homecoming football game against North Cobb Christian School. Jordan began his head coaching career at the school in 2008.
