About: MUST Ministries has made some significant changes to processes for serving the community. The primary focus has been on continuing to serve the unhoused community, as well as Rapid Response Food Relief. Their greatest need during this season is food donations. Here are a few ways MPCS families can serve remotely.

WAYS TO SERVE:

- **Food Donations:** Items may be dropped off at the MUST Donation Center. Food barrels can be delivered to your office. Families can also order online and have food delivered to us from Amazon, Walmart, or another online grocer.
 1. Address for food delivery is 1280 Field Parkway Marietta, GA 30066 (Open Monday-Friday, 9:00 a.m.-5:00 p.m.)
 2. Food supply wishlist: https://dynamix-cdn.s3.amazonaws.com/mustministriesorg/mustministriesorg_852918753.pdf
- **Financial Gifts:** MUST Ministries is facing significant changes to its model of services for an undetermined amount of time. They will need additional financial resources in order to serve neighbors in need, especially as the Summer Lunch program approaches. Online donations may be made using the button at the top of their website.
- **Notes of Encouragement:** Students and families can write notes of encouragement to MUST Ministries staff and housing clients. Many of their staff are working exceptionally long hours and would love the encouragement from our community. Many of housing clients were already experiencing very uncertain circumstances, now compounded that uncertainty. They would love to know that they are not forgotten by our community. These notes can be collected and delivered to the MUST Donation Center, **Attention: Angel Radford.**
